8th September 2017

Dear Parents,

MATHS WORKSHOP – THURSDAY 12th OCTOBER

I am writing to inform you of the above event, which is scheduled to take place on **Thursday 12th October from 6.00 – 7.00pm**. This workshop is open to parents of children in **Year 4, 5 & 6**.

The aim of this informal workshop is to:

- familiarise parents with the strategies for addition and subtraction in the **new National Curriculum**
- explain the progression in skills from year 4 to year 6
- enable you to use these strategies to support your child with homework tasks
- give you the opportunity to work alongside your children in a school environment

If you attended last year's workshop, it will be the same content being covered. Please feel free to come again if you wish. Whilst allowing your child to accompany you is recommended, it is not compulsory. Unfortunately we are unable to accommodate younger children during this workshop.

I would be grateful if you could complete and return the form below if you are intending to attend this workshop.

Kind regards,

Mrs R Mars

Maths Manager

**FAO Mrs R Mars via School Office.
Maths Workshop on Thursday 12th October from 6.00 – 7.00pm**
