13th September 2017

Dear Parents,

We had our first swimming lesson yesterday and the children really enjoyed it! This letter outlines a few things to remember about swimming lessons at the Junior School:

- No earrings can be worn in the water. This is because if they come out, they will block the filter system and the pool will not be able to be used for at least 48hrs. Teachers and TAs are not allowed to help children take their earrings out - this must be done by the child themselves.
- All children must wear a swimming hat in the water. These can be purchased for a small amount of money at the School Office.
- Swimming trunks must not be baggy or below the knee as these are dangerous for the children to swim in. They need to fit closely against the skin.
- All items of clothing need to be named (including pants and socks!)
- If you wish your child to wear goggles, please send in a signed letter giving your permission for this to happen.

Many thanks for your support,

The Year 3 team
